As the birthplace of the American Revolution, Boston is a wonderful place to celebrate the nation's independence. These events emphasize our proud colonial heritage and historic harbor, and showcase local entertainment and cuisine. Harborfest reminds us of our past and serves as an inspiration for our future. On behalf of the Commonwealth of Massachusetts, I want to congratulate Boston Harborfest on its 30th Anniversary and convey my best wishes for an enjoyable week.

Deval Patrick

On behalf of the people of Boston, welcome to the 30th Annual Boston Harborfest! This celebration is a vital resource for Boston's historic and cultural sites, commemorating the proud heritage of the city and highlighting its many contributions to the birth of America. We invite you to experience the breadth of the city's cultural opportunities, learn about our history, and celebrate with us!

Extreme Sailing Series™

The Extreme Sailing Series™ comes to North America for the very first time as part of the 30th anniversary celebrations of Boston Harborfest.

Fan Pier – situated directly on Boston Harbor – hosts the eleven top flight, professional sailing teams, battling it out each afternoon in the Harbor in dynamic Extreme 40-foot catamarans. Racing just metres from the shoreline, this is true ‘stadium’ racing!

The catamarans can race up to 40 mph, ‘flying’ a hull in just eight knots of wind: it’s fast, furious and thrilling to watch. With up to eight races each afternoon, this is a totally new concept to sailboat racing.

Within the race village, there will be plenty to do and see for all of the family including children’s activities, food and beverage concessions. Meet the sailors at the daily prizegivings.

Stay for an evening of entertainment with bands playing on the Extreme Stage until 11pm each night.

Extreme Sailing Series™

The Racing

With up to eight races each afternoon, lasting up to 15 minutes each, with live commentary from Fan Pier and close-combat racing just metres from the Boston Harbor shoreline, the Extreme Sailing Series™ brings the concept of 'stadium' sailboat racing to North America for the first time.

Easy to understand, whether an experienced sailor or a newcomer to the sailing world, the action literally takes your breath away. 'Flying' a hull in just 8 knots of wind, the catamarans can reach speeds of up to 40 mph, with a capsize angle of 46 degrees. It's extreme, it's fast, it's thrilling: this is the Extreme Sailing Series™.

Over 750,000 spectators have enjoyed watching the circuit over the past four years and in 2011, there will be 47 days of racing, with up to 282 races in total!

For the first time in the five-year history of the circuit, the Series is global, visiting nine venues around the world:

22-24 February, Muscat, Sultanate of Oman

15-17 April, Qingdao, China

27-29 May, Istanbul, Turkey

30 June – 4 July, Boston, USA

6-12 August, Cowes, UK

16-18 September, Trapani, Italy

30 September – 2 October, Nice, France

12-16 October, Almeria, Spain
